## MEDIA ALERT

### The EXPAND Capture 5 Intelligent Speaker is Released for Purchase in the U.S.

Copenhagen, Denmark – June 17, 2021: EPOS, the premium audio brand for Enterprise, releases EXPAND Capture 5 for purchase in the U.S. The latest addition to the EXPAND Line is an intelligent speaker to complement the rich collaborative experience of Microsoft Team Rooms.

Designed for medium sizes meeting rooms, EXPAND Capture 5 combines AI with advanced audio and collaboration technology. Its voice recognition system identifies up to 10 in-room meeting participants by their voice and automatically generates live transcripts for convenient post-meeting use. Designed with a premium speaker driver and seven-microphone array, it provides an optimized and life-like meeting experience for all participants and supports new, productive hybrid work settings. “EXPAND Capture 5 rethinks the modern meeting room and paves the way for new hybrid models of working.” Said Theis Moerk, Vice President of Product Management at EPOS. “Where work settings are increasingly changing, it is more important than ever that every voice is heard.”

The EXPAND Capture 5 is now available for purchase in the U.S through EPOS sales channels.

#### **About EPOS**

EPOS is an audio and video solution company developing and selling devices for business professionals and the gaming community. Based on leading and advanced technologies, the Danish founded company delivers high-end audio and video solutions with design, technology and performance as paramount parameters.

The establishment of EPOS is based on the decision to let the business segments of the joint venture – known as Sennheiser Communications – between Sennheiser Electronic GmbH & Co. KG and Demant A/S evolve in different set-ups. Alongside the introduction of a new own-branded portfolio, EPOS continues to sell the current Sennheiser Communications portfolio co-branded as EPOS | SENNHEISER.

EPOS is part of the Demant Group – a world-leading audio and hearing technology group. As such, it builds on more than 115 years of experience of working with innovation and sound. With headquarters in Copenhagen, Denmark, EPOS operates in a global market with offices and partners in more than 30 countries.
