

EPOS Connect for thin clients

- supported EPOS devices and related firmware

Limited Support

Device firmware update feature supported.

Full Support

Device firmware update, device configuration and asset management features supported.

Compatibility

EPOS Headset Compatibility Guide is a tool to help you find EPOS solutions (headsets and/or connectors) that works with your device(s).

Do you need help choosing, or need assistance setting up your product?

If so, please visit: eposaudio.com/compatibility-guide

To request support for devices not included in the following table, please send an email to: softwarevdi-help@eposaudio.com
