

EPOS

# C10 Series

Work or study your way with a stylish, comfortable headset with superior stereo sound designed for the demands of today's hybrid life. Enjoy a wired headset with flexible and simple plug-and-play connectivity – in the office, at home, where you study. Experience flexibility and comfort, with a discreet boom arm design that folds neatly away into the headband. Smart audio technologies such as EPOS Voice™ provide a clear and natural listening experience that helps boost your performance.

# Key Features

## EPOS Connect

Update your EPOS headset with the latest firmware and personalize your settings with EPOS Connect

## Functionality meets stylish design

Guarantee high sound grade communication with a discreet boom arm, which folds away for a stylish look

## Enhanced comfort

Newly designed, on-ear ear pads provide great comfort and noise damping, especially when using the leatherette ear pads also provided in the box
