# C20 Series

If work or study means communication via multiple devices, choose a wireless headset that fits with your dynamic lifestyle whether it is from home or on-the-go. Lightweight, portable, and wireless, this flexible audio companion keeps you focused. The boom arm gets you closer to the conversation and folds easily into the headband for a clean, modern look. The headset is Microsoft Teams and Zoom certified and UC optimized so you can jump straight into virtual meetings.

# Key Features

## Up to 27 hours battery life

Enjoy up to 27 hours of playback and up to 23 hours of voice calls before recharging

## Flexible connectivity

Enjoy multi-point connectivity that lets you connect to two devices simultaneously, via Bluetooth® or the USB-A dongle

## Maximize your comfort and performance

With thick, soft, on-ear leatherette earpads, enabling all-day comfort and passive noise damping

# What's in the Box
