

EDU 12 USB

USB headset with in-line control

The EDU 12 USB stereo headset gives students added control and aids focus, which is important in hybrid and virtual learning environments. An in-line control lets students easily adjust volume and muting on-device, minimizing interruption to on-screen tasks. Meanwhile, the stereo ear-piece design limits distractions from immediate surroundings, letting students focus on what matters.

EPOS' technology assures optimal audio quality, and a unidirectional noise-cancelling microphone cuts away background noise, giving students the confidence that what they say is always clear. The headset's lightweight, durable construction means the EDU 12 USB is a perfect solution for the needs of K-12 students.

Key benefits & features

USB connector

A reliable, familiar USB lets students connect to other devices simply and efficiently.

Lightweight USB stereo headset

The double-sided ear-pieces limit distractions from surroundings and EPOS' proprietary technology delivers consistent quality stereo audio.

In-line volume and mute control

A small controller positioned on the USB cable provides control over volume and muting, allowing students to easily adjust computer settings.

Unidirectional microphone

The unidirectional noise-canceling microphone reduces background noise from immediate surroundings, allowing students to speak clearly and confidently.

Designed to last

Manufactured to withstand daily use and comes with the EPOS two-year warranty.

EDU 12 USB

Product data

General

Ear coupling	On-ear
Transducer principle	Dynamic, open
Connectivity	Wired, USB Sound Card
Cable length	2 m
Compatibility	PC & Mac®
Warranty	2 years, international

Headphones

Frequency response	42-17,000 Hz
Impedance	32 Ω
Sound pressure level	95 dB SPL @ 1 kHz, 1V RMS

Microphone

Frequency response	90 - 15,000 Hz
Pick-up pattern	Unidirectional
Sensitivity	-40 dBV/Pa
Impedance	2,200

Packaging

Quantity	10 headsets included (bulk)
Dimension of product packaging (W x H x D)	175 x 50 x 165 mm
Package weight (incl. complete product and packaging)	109 g
Dimension of master carton (W x H x D)	550 x 360 x 342 mm
Units in distributor master carton	60
Languages	English, German, French, Spanish, Russian, Japanese
