

GSP 500

Open acoustic gaming headset

Increase your game enjoyment with high fidelity audio delivered by the GSP 500 open-back gaming headset offering incredibly natural and spatial sound. The proprietary open speaker system provides audio reproduction with natural and precise cues for an immersive game experience.

To assure crisp communication with your teammates, the GSP 500 features a microphone with a lift-to-mute flexible boom arm that is adjustable for best voice pick-up positioning.

An intuitive wheel built into the right ear cup allows for quick on-the-fly volume adjustments. Designed for comfort, the GSP 500 features a double-axis hinge mechanism and adjustable contact-pressure headband for customized fit. Cables are included for console and PC, and its optimized impedance make it ideal for gaming on low-power devices
