

GTW 270

Immersive audio, everywhere you go

Escape the hum-drum world and enjoy no-compromise audio playback with the compact GTW 270 wireless earbuds. Connect to a favorite mobile device with stable Bluetooth® 5.1 and lose yourself in the immersive audio of your game.

The unique ergonomically shaped earbuds are soft and flexible to adjust to your ear and ensures a secure and comfortable fit with best-in-class acoustic seal. The closed acoustic design provides noise attenuation that lets you tune out background noise and lose yourself in the immersive audio of your game.

Dual microphones deliver acoustic clarity and five hours of listening time in the earbuds is extended to up to 20 hours with the included charge case. Let the Power of Audio™ break you away from the cares of your commute and free your mind.
